THE GOOD LOSER.

"It's easy enough to be cheerful
When life moves along with a song.
But the man worth while
Is the guy with the smile
When everything's going dead wrong."

This old world is full of good winners.
Who can grin with their hands full of trumps.
But we honor the name
Of the guy who is game
And can smile when he's getting his bumps.

There are plenty of girls who are willing
To share the good fortunes, no doubt,
But the lass who's a brick
Is the "skirt" who will stick
When a fellow gets down and out.

L'Envoi
Then cheer, if you will, for the victor;
Be he ball player, banker or bruiser,
But when you have done,
Give a cheer everyone
For the guy who can be a good loser.

PUTTING IT OFF

Is a bad habit when it is a question
Of buying coal. The first thing you
know you are all out and there is cool-
ness of many kinds in the house.
Better have too much than not
enough. Coal will keep without spoil-
ing. Suppose we send you a ton or
so to keep your supply up to comfort-
able proportions.

Join the Maccabees

The State Convention of this progressive
Order will be held in Maysville on the 12th of
May, at which time a large class of candidates
will be admitted, and following the beautiful
ritualistic ceremonies a banquet will be served,
the Representatives, State and Supreme officers
and candidates being entertained by Maysville
Tent No. 92.

The Knights of the Maccabees is one of the
largest Associations of its character in
America, having a membership of over three
hundred thousand. Its jurisdiction includes
every State, Territory and province of North
America and Canada, and while it has paid to
the beneficiaries of deceased members over
\$42,000,000, it has an accumulated surplus of
\$10,000,000.

Protection can be secured to the extent of
\$3,000, and at a nominal cost, premiums pay-
able monthly or annually as the member may
elect. Maysville Tent is composed of forty-
two of its representative citizens and was
organized in 1902.

Special inducements are offered those who
may apply for membership in time to be ad-
mitted during the session of the State meeting,
\$4 covering all preliminary fees.

As an insurance institution we believe the
Knights of the Maccabees hasn't a peer
throughout the country, and we most cordially
invite our friends and neighbors to join with
us in the cause of "Home Protection." Take
advantage of this splendid opportunity and
give us your application now. "Tomorrow"
may be too late.

Done by order of the Tent.

Opening of Baseball Season
at Maysville Next
Tuesday

Over 2,000 Enthusiasts Expected
to Witness First Game

On next Tuesday, May 9th, the opening game
of the Bluegrass League series at Maysville
will be played, beginning at 3:30 p. m., when
the Maysville team will tackle the Paris pen-
nant winners.

If the weather is favorable the largest
gathering ever assembled on a Maysville base-
ball ground will uncork their pent-up enthu-
siasm when the Hon. John Wesley Lee, Mayor
of Maysville, passes the first ball to Umpire
John C. Ronan and the game is started off.

Maysville's new League Ballpark is a gem of
its kind, with every appurtenance for accom-
modating the lovers of the great American
sporting game. The grandstand, the bleachers,
the grounds, booths, etc., etc., are new, spick
and in apple-pie order for the initial contest.

Maysville, like the grounds, is also ready,
and, as nearly every business enterprise in this

city will declare a half-holiday in the afternoon,
so that all hands may see the game, one can
imagine that we can afford to go crazy for a
few hours and assist, vocally and with the
genuine spasms of the rooter, Maysville in
putting the first game over on the Paris
Champions.

Parade starts from Central Hotel at 1:30
p. m. Mounted police under Chief H. A. Ort;
Paris Band, fourteen men; carriages with
President Usery of the Bluegrass League and
Officials of Paris and Maysville Clubs; Paris
Team under Manager McKernan; Paris Rooters'
Club, headed by President Bacon; Maysville
Club, under Manager Ed. Mackey; all Rooters
invited to join parade. For Rooters' supplies
see the Management. Half holiday; all business
houses and factories closed. Opening address,
Dr. W. C. Usery; Opening Ball, Mayor J.
W. Lee.

The Cotton Blossom Coming

The very agreeable announcement is made
that the Cotton Blossom Show Boat, which
gave such universal satisfaction in this city
last season, will again be seen at the local
wharf Thursday, May 11th, presenting the
great comedy drama, "The Tide of Life." Since
the boat was here last season, it has been re-
modeled and refitted and comes with all new
people, who have been especially chosen by
Manager Ralph Emerson to produce this strong
play.

The Ironton team of the Virginia Valley League will play the Bluegrass League this afternoon and Sunday afternoon at Lea, n. Park. Chase and Romine will pitch these two games. Go out and root for the boys, as this is the last time you will see them play until next Tuesday, when they open with Paris.

Owing to the large demand for reserved seats, the Baseball management will put 500 reserved Grand Stand seats on sale, also, general admission tickets, at Mr. Lee's store all day Monday. Grand Stand, 25 cents, and general admission, 25 cents.

You had better secure these tickets and avoid the rush, as the management are expecting at least 3,000 people out at this game.

Despair and Despondency

No one but a woman can tell the story of the suffering, the despair, and the despondency endured by women who carry a daily burden of ill-health and pain because of disorders and derangements of the delicate and important organs that are distinctly feminine. The tortures so bravely endured completely upset the nerves if long continued. Dr. Pierce's Favorite Prescription is a positive cure for weakness and disease of the feminine organism.

IT MAKES WEAK WOMEN STRONG,
SICK WOMEN WELL.

It allays inflammation, heals ulceration and soothes pain. It tones and builds up the nerves. It fits for wifehood and motherhood. Honest medicine dealers sell it, and have nothing to urge upon you as "just as good."

It is non-secret, non-alcoholic and has a record of forty years of cures. Ask YOUR NEIGHBORS. They probably know of some of its many cures. If you want a book that tells all about woman's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers. In handsome cloth-binding, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

MAKES RAPID HEADWAY

ADD THIS FACT TO YOUR STORE OF KNOWLEDGE

Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the urine is dark, foul-smelling, irregular and attended with pain procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Maysville citizen:

J. M. Lloyd, farmer, R. F. D. No. 5, Maysville, Ky., says: "I am only too pleased to tell of my experience with Doan's Kidney Pills and I hope that it will be the means of helping other sufferers from kidney trouble to find relief. About five years ago my kidneys suddenly became discouraged and for several months I was bothered by constant, dull pains across my loins. When I stooped or lifted, sharp twinges shot through my body and caused the most intense suffering. When I heard of Doan's Kidney Pills, I procured a box at J. Jas. Wood & Son's Drugstore and began their use. They effected a complete cure, and since then I have not had backache or any other symptoms of kidney trouble."

Rosy As a Girl

Summitt, N. C.—In a letter received from this place, Mr. J. W. Church, the Notary Public, says: "My wife had been ailing for nearly 12 years from female ailments and at times was unable to leave the house. She suffered agony with her side and back. We tried physicians for years without relief. After these treatments all failed she took Cardui and gained in weight at once. Now she is red and rosy as a school girl." Cardui as a tonic for women has brought remarkable results. It relieves pain and misery and is the ideal tonic for young and old. Try it. At druggists.

Large Electric Contract

Mrs. M. C. Russell has let the contract to Hill Bros., the Maysville Electricians, for a complete electric light system in her palatial home in East Third street. The electric fixtures in Mrs. Russell's home will be of the most modern pattern, and the entire job will be the largest and most expensive in any residence in Maysville. The workmanship will be first class and that our local firm of electricians have secured the biggest job in this city speaks well for the home firm.

Unusual Coincidence

Four sisters, all widows of railroad engineers killed in wrecks, met at the funeral of Engineer Thomas Pileher of Huntington, W. Va., who was killed in the wreck on the C and O. Each met his death in his cab, each was the engineer of fast express trains and the fireman of each was killed with him, although no passengers were hurt.

WHO IS TO BLAME

For So Many Sickly Children?

We hear of so many children who are thin, delicate, ailing and tired all the time, we are led to ask what is the cause, and who is to blame?

Don't blame the children—they have no strength. They play hard, work hard at school, and rapid growth takes all their strength. It is the mothers of all such children who are to blame, for if they only realized what our delicious cod liver and iron tonic will do for their little ones, they wouldn't sleep at night until they had started them on Vinol.

Only a few days ago a case came to our attention. Mrs. W. H. Gilmore of Durand, Mich., had a little daughter nine years of age. She was weak, pale, ailing and nothing seemed to do her any good. She gave her Vinol and she began to thrive at once and gained rapidly in weight, color and strength.

We positively know Vinol will build up your little ones and make them healthy, strong and robust. Try a bottle and if you are not satisfied we will return your money. We make this offer to show you our confidence and belief in Vinol. John C. Pecor, Druggist, Maysville, Ky.

NOT NECESSARY

We don't need any of our instruments and very little of our optical knowledge when we sell stock lenses. When one has a thorough knowledge of refraction and uses scientific instruments he usually finds that stock lenses will not correct the optical defects of the eye. If one sells nothing but stock lenses he has no use for grinding machinery. If one can get along without optical knowledge, optical instruments and grinding machinery, and can sell his stock lenses at the price of the special lenses of the manufacturing optician, he certainly makes money selling glasses.

Reduce the Cost of Heating

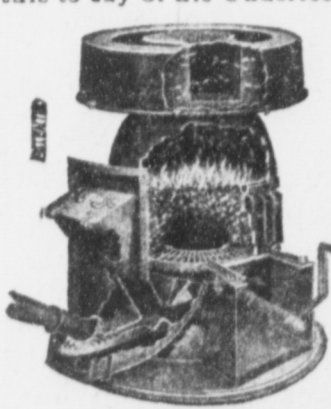

With living expenses in general climbing higher, Underfeed Warm Air Furnaces and Steam and Hot Water Boilers are reducing the cost of heating to the lowest possible notch. In thousands of American homes clean, even heat is enjoyed at least cost. The Underfeed has made this possible. There's no guess work about it.

THE WILLIAMSON UNDERFEED FURNACES AND BOILERS

Are the most economical heating plants on the market. Cheapest slack, which would smother the fire in an ordinary heater, yields as much heat as highest priced coal. The Underfeed coal-burning way is responsible for this seeming miracle of economy. Coal is pumped from below. All the fire is on top. Smoke and gases, wasted in the heaters, must pass through the flames and are consumed, being turned to practical account in heating the building. This enables Underfeed furnace and boiler users to

SAVE 10% TO 25% OF COAL BILLS.

A Bracken county user, Mr. J. T. P. Watson, Brooksville, Ky., has this to say of his Underfeed experience:

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; hence cases of deafness caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces, that cannot be cured by Hall's Catarrh Cure.
